TOUR ITINERARY

MORAGAHAKANDA DAM /VICTORIA DAM
On arrival clients will be met by Walkers Tours Chauffeur Guide / Guide and transferred to Negombo Hotel

Sometimes known as “Little Rome” due to the profusion of Christian Churches, this archetypal fishing village has now grown to a major beach resort on the west coast, north of Colombo and 15 minutes from the International Airport. The wide sandy beaches and safe sea bathing are major attractions, as is the fish market where busy trading of a variety of fish, prawns and crabs takes place each morning (except Sunday) when the fishing craft return to shore. Traditional large sailed outrigger canoes are a picturesque sight in this village which was once a trading port for the Portuguese and Dutch. Other attractions are the Old Dutch fort gate built in 1672 now a part of the prison and the Dutch Canal which was then a supply route for the Dutch administration

Pinnawala Elephant orphanage

Pinnawala Elephant Orphanage - Started in 1975 to house the abandoned and the wounded, the orphanage has grown to be a big family today. The number of elephants has increased to more than 65 now, including baby elephant brought from various parts, as well as 14 babies born as a result of the captive breeding program. The best time to visit is the feeding time and the bathing time when the elephants are taken to the river close by. A unique experience never to be missed.

en route visit Dambulla Temple and Victoria Dam

Dambulla – located in the north central province this UNESCO World Heritage Site which dates to the 01st century BC, is an amazing complex of 05 caves, first used as a refuge by an ancient king who on regaining his throne, commissioned magnificent carved images within the living rock. Later kings made further improvements and the caves contain over 150 images of the Buddha of which the largest is a colossal figure spanning 15 meters. Cave inscriptions from the 2nd Century BC are found and on the walls are many paintings most of which belong to the Kandy period (early 19th century). This temple is a perfect location to view evolution of ancient Sri Lankan art and is an important historical site due to the amalgamation of the material from many eras.
